

February 22, 2005

Dear Colleague:

It is our pleasure to announce that Donald Balbinder, President and CEO of Hilord Chemical Corp., is being honored by St. Catherine of Siena Medical Center at their Fourth Annual Black Tie Spring Gala on April 2, 2005. Knowing Mr. Balbinder's enthusiasm, work ethic and his dedication to the welfare of his community, it is easy to see why St. Catherine's is honoring him.

Mr. Balbinder is the present Chief of the Nissequogue Volunteer Fire Department and President of the Smithtown Chief's Council. In his role as Emergency Medical Technician (EMT) for over eight years, Mr. Balbinder has interacted with St. Catherine's in a dedicated and professional manner. We are very proud of Mr. Balbinder and are glad to see him being recognized for his contributions to his community.

As a longtime resident of the Town of Smithtown, Mr. Balbinder has seen first hand the evolution of St. Catherine's from a community hospital into the medical center it is today. Continuing the trend toward providing the most efficient and technologically advanced care, all proceeds from this event will go toward new, state-of-the-art, central monitoring equipment for the Labor and Delivery suites.

In an effort to help make this event the most successful ever, we are looking to Donald's friends, associates and business partners to join us in honoring his achievements. Enclosed, you will find a list of giving opportunities that are available for the Spring Gala. We look forward to your participation and hope you will be as generous as possible. Thank you.

Please feel free to contact us if you have any questions or you can call St. Catherine's Community Relations Department directly at 631-862-3780.

Sincerely,

Daniel Slep

St. Catherine of Siena Medical Center
